"DALY MEMORIAL HALL"
CENOTAPH ROAD

Bangalore 30th March 1923.

The Rev. Father A.M.Tabard, M.A.,M.B.E.,M.R.A.S.,
President, Mythic Society,

To.

Albion Rajkumar Banerji, Esq, M.A.,C.S.I.,C.I.E.,
Dewan of Mysore, Bangalore.

Dear Sir,

May I invite your kind reference to G.O.No.G.18382-85/G.L. 157-19-2 dated the 1st February 1920 sanctioning a monthly grant of Rs.100/- to the Daly Memorial Hall up to April 1923?

2. This grant will under present orders cease from the end of this month. But the need for this grant has increased, as the object on which it has been expended in the past has, it is gratifying to observe, supplied an imperative need and a long felt want in this growing City of Bangalore. Any cessation or even a curtailment of the grant would create wide-felt disappointment and considerably narrow the scope of our activities and usefulness. The Daly Memorial Hall and the Mythic Society have become a prominent feature of Bangalore City and you will doubtless agree that they occupy a necessary place in the organic life of Mysore.

3. The Society's activities have considerably expanded since the date of the last grant five years ago and the demand for the use of the Hall has also increased, resulting in greater expense on the maintenance of the Hall and the grounds owing in part to our bills for water and electricity. I request therefore that the temporary gr-

of His Highness and His Highness' Government, secured world-wide recognition and we are now on terms of mutual exchange of Journals with all similar Societies in India and Ceylon and with the Oriental Societies England, France, Germany, United States of America and Japan and also the Smithsonian Institution, Washington.

(iv) We have received recognition from the various British India Governments and Indian States and from the Rt.Hon'ble the Secretary of State for India.

6. Our membership has increased in number and variety and we have now on our rolls a large moffusil clientele, besides members from all parts of Mysore, who continued to form the real nucleus of the Society and constitute a substantial majority. The rate of subscription, it is true, is low and does not cover the printing charges, but in the interest even financial- of the Society, I do not consider it advisable to raise it , our aim being to reach a large number of readers many of whom might not be able to afford enhanced rates.

7. Our Journal is steadily rising in quality and is now recognised as one of the foremost publications of its kind. I am trying my best to provide for the future by creating a capital fund mostly from life-membership subscriptions, the interest from which will meet all our wants. But this will necessarily take time. Other demands on public benevolence have been so frequent of late, and the raising of the large amount for the building of the Hall is so recent, that it will be at least ten years before a capital fund can be built up for this purpose. I request therefore that the additional grant of Rs.150 per mensem may kindly be sanctioned to the end of June 1933.

8. With less than the total grant of Rs.150/- per mensem, I am afraid

Submitted to His Highness.

Under Government Orders dated 25th January 1916 and 28th October 1917 the Mythic Society, Bangalore, has been given a State grant of Rs.11,613-11-0 for the construction of the Daly Hall and also a maintenance grant of Rs.50 per mensem chiefly devoted to the repairs and maintenance of the building. In April 1918 the Government sanctioned a grant of Rs.50 per mensem to the Society for the Library for a period of five years. In May 1920, this grant was enhanced to Rs.100 for the rest of the period of sanction, that is up to April 1923.

2. Rajasabhabhushana Rev. Father A.M. Tabard, the President of the Society, in his letter of the 30th March 1923, has applied for the continuance of the grant with an enhancement of Rs.50 per mensem, for some more years until he is able to build up a capital fund sufficient for the maintenance of the Hall, the grounds and the Society.

3. The question was considered in Council on the 28th April 1923, when it was resolved that the existing grant may be continued for a further period of two years.

4. This may be graciously approved.
